RECEPTION

Take a look at what has been happening at Pittington Primary School ...

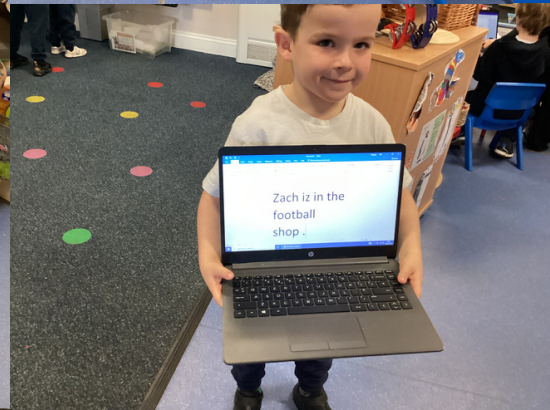

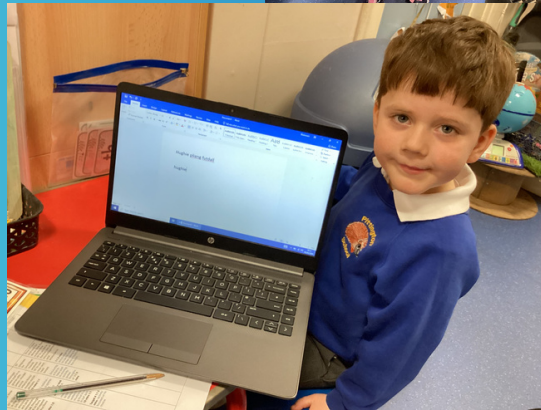

Our Year 1 children had a brilliant time at the Invasion Games festival. They played lots of games to get them moving and the children's hearts racing. The children were so well behaved and represented our school like the stars that they are!

Reception

The children have been using the laptops to write their own silly sentences and captions. They enjoyed typing these and printing them to take home. The children identified which uppercase letter matched our sounds.

Year 3 have been taking their maths learning outside of the classroom this week. Our new yard markings have come in handy to help the children with times tables, measuring and spotting patterns! Amazing work!

$$2 \times 2 = 4$$

$$3 \times 1 = 3$$
